

## Keuvi Privacy Policy

The Keuvi SAT Preparation Application (not counting any later advertising additions) does not collect ANY data about users.

- Who owns the Keuvi SAT Preparation Application?
  - The Keuvi Application was developed and is owned by the Keune Enterprises team reachable at [KeuviChiefDev@gmail.com](mailto:KeuviChiefDev@gmail.com)
- What data is being collected? How is that data being collected?
  - This application (not counting any later advertising inserts) **DOES NOT COLLECT ANY DATA** from **USERS**. This application is designed to operate solely in the local processing platform whether coming from a Website or downloaded as a dedicated application.
- What is the Legal basis for the collection?
  - Currently as stated above there is **nothing included** in this Application for the collection or solicitation of user data. If and when this changes due to the insertion of an advertising SDK and supporting services this privacy policy will be updated to reflect the addition of this
- For which specific purposes are the data collected? Analytics? Email Marketing?
  - At this point there is nothing coded in to the Keuvi Application that collects any user data. Underlying libraries and related services like [Google PlayStore](#) or [iTunes](#) may be collecting data but that is governed by their Privacy Policies.
- The categories of sources from which you collect consumers' personal information.
  - ***The Keuvi SAT Preparation Application does not collect any data.***
- Which third parties will have access to the information? Will any third party collect data through widgets (e.g. social buttons) and integrations (e.g. facebook connect)?
  - At this point Keuvi SAT Preparation App does not collect any user data.
- Where applicable, details relating to cross-border/ overseas data transfer and which measures were put into place to facilitate this in a safe and compliant way.
  - No data transfer – cross border or otherwise are planned or expected at this time.
- What rights do users have? Can they request to see the data you have on them, can they request to rectify, erase or block their data?
  - Users are welcome to reach out to the Keuvi App development team at [KeuviChiefDev@gmail.com](mailto:KeuviChiefDev@gmail.com) to request to see the identifiable data we have on them but as of now these requests will be pointless since the Keuvi App does not collect data from users. However, if the portal through which a

user acquires this Application most notably by [Google PlayStore](#) or [iTunes](#) are governed by their privacy policies that are linked those two hyperlinks shown earlier in this section.

- Description of process for notifying users and visitors of changes or updates to the privacy policy
  - Changes to the Privacy Policy will be published with updates to the Keuvi App that implement these changes.
- Effective date of the privacy policy
  - October 19, 2020
